STATEMENT OF PROBABLE CAUSE

I, Darrin J. McNeill, being duly sworn, hereby depose and state as follows:

1. Your affiant is a Deportation Officer with United States Immigration and Customs Enforcement (ICE). I have learned from direct participation in the investigation and from the reports and communications of other agents and officers the facts recited herein.
2. On April 24, 2017, Francisco Javier Sanchez was arrested by the Phoenix Police Department and booked into the Maricopa County Jail (MCJ) on local charges. While incarcerated at the MCJ, Sanchez was examined by ICE Agent E. Fontanez who determined Sanchez to be a citizen of Mexico, illegally present in the United States. On the same date, an immigration detainer was lodged with the county jail. On September 27, 2017, Sanchez was released from the MCJ and transported to the Phoenix ICE office for further investigation and processing. Sanchez was held in administrative custody until his criminal and immigration records could be obtained and his identity confirmed.
3. Immigration history checks revealed Francisco Javier Sanchez to be a citizen of Mexico and a previously deported alien. Sanchez was removed from the United States to Mexico at or near Nogales, Arizona, on or about December 23, 2006, pursuant to an order of removal issued by an immigration official. There is no record of Sanchez in any Department of Homeland Security database to suggest that he obtained permission from the Secretary of the Department of Homeland Security to return to

the United States after his removal. Sanchez's immigration history was matched to him by electronic fingerprint comparison.

4. On September 27, 2017, Francisco Javier Sanchez was advised of his constitutional rights. Sanchez freely and willingly acknowledged his rights and declined to make any further statements.
5. For these reasons, this affiant submits that there is probable cause to believe that on or about April 24, 2017, Francisco Javier Sanchez, an alien, was found in the United States of America at or near Phoenix, in the District of Arizona, after having been previously denied admission, excluded, deported, and removed from the United States to Mexico at or near Nogales, Arizona, on or about December 23, 2006, and not having obtained the express consent of the Secretary of the Department of Homeland Security to reapply for admission thereto; in violation of Title 8, United States Code, Section 1326(a).
